Explanation - This amendment increases federal special revenue authority in the State Level Activities Program of the Office of Public Instruction for the administrative costs of IDEA, Part B under the ARRA federal program. The U.S. Department of Education has issued guidance requiring state education agencies to use funding from the regular federal appropriations of IDEA, Part B for the administration of the ARRA IDEA, Part B programs. The amendment provides OPI with \$1.2 million in additional federal authority for the administration of the federal ARRA IDEA, Part B in each year of the biennium.
